

VIRTUAL GIFT CARD ACTIVATION

- **Our virtual Gift Card** is available in amounts of **25€, 35€, 50€** to spend in our **e-commerce website www.shop-its.com**.
Please complete the online purchase procedure.
Payment needs to be done only by credit card or bank transfer with the Iban number indicated in the purchase order email.
- The Virtual Gift Card can be used **several times by the customer or a third party to purchase any product on the site**, until its value is exhausted. The generic Gift Card does not have a name on it and cannot be reloaded. The Customer may purchase one or more ITS Gift Cards for himself or give it to a third party.
There is the possibility to personalize the card with the name of the person by inserting it the name on the virtual giftcard.
The Virtual Gift Card will be provided in electronic format and sent by e-mail.
The Virtual Gift Card is valid for 12 month from the date of issue (purchase).
- The purchase of the Virtual Gift Card is not subject to the application of VAT pursuant to art. 2, co. 3, lett. to. DPR 633/1972. The purchase invoice will report, therefore, the words “Excluded from the scope of VAT pursuant to art. 2 co. 3, lett. A DPR 633/1972.
- The Customer who has purchased the Virtual Gift Card for himself, will **receive an e-mail containing the order number, the Gift Card Code and its value.**
He will also receive the sharing link, to make a gift to a third party.
- The Virtual Gift Card can be used **for multiple purchases on the site www.shop-its.com until the credited amount is exhausted**, after being registered on the site, where you are able to enter the code of the Gift Card received.
- **Attention: to purchase and use the Virtual Gift Card you must be registered.**
If you haven't already created an account **click on “Register”**
When you are registered, log in with your credentials and you will find the Gift Card section where you can find your credit or your balance if already used.
